Subject: FW: trials on 1/5/11

I just thought that I'd let the both of you know that I received word from the ADA in Pittsfield that I will not be needed on January 5, 2011, so I should be available, if needed, for your trials. I'm on call for both Holyoke and Springfield, so whomever calls me first gets me first, but there shouldn't be a problem to get to the other courthouse afterward. If I get called to one, I'll make sure to check in with the lab (as well as my voicemail) as soon as I am finished. Thanks.

Hi Sonja,

I spoke to defense counsel today, and the [REDACTED] case for Wed. 1/5 will be a plea, so you do not have to be in court for that case. Thanks for everything, sorry it took so long.

Hey Sonja,

Unfortunately it is still on for trial. I spoke with the officers, and to make a long story short there could be a change of plea short of trial, but that is not likely to occur until the 3rd or the 4th. So if something does change, I'll let you know as soon as I know.

Thanks for everything and I hope you have a great New Years!

Joe
